Financière de Tubize has increased its participating interest in UCB to 35%

Brussels, 18 December 2015 – 18:00 CET

On 9 November 2015, Financière de Tubize had announced its intention to progressively strengthen its participating interest in UCB to bring it from 34.12% to 35.00%, insofar the market conditions were appropriate. During the period from 3 November 2015 to 14 December 2015, Financière de Tubize has acquired 1,706,981 UCB shares at an average price of € 80.6376. Following these acquisitions Financière de Tubize holds 68,076,981 UCB shares, which represent 35.00% of the total number of shares issued by UCB.

The acquisitions are fully aligned with Financière de Tubize's objective to create long-term value for its shareholders by participating as a stable reference shareholder in the sustainable development of UCB's industrial project.
